

Barnaby Jones

Barnaby Jones fought a hard battle with congestive heart failure. On November 16th, 2014, Barnaby Jones left his final paw prints on our hearts; which will last a lifetime. Although we only had Barnaby for 16 months, our friendship and love was extremely strong. Barnaby was full of life, love, compassion, and joy, He enriched our lives in so many ways, we are truly blessed to have met him. We are honored Barnaby was part of our family. We are extremely sad Barnaby had to move on, but we are relieved that Barnaby is in no more pain.
