

Sam was our second beagle rescue and brought such joy and love into our home. He loved to snuggle and go for walks with us and our lab Lucy. I always joked that he balanced the pace for walking as Lucy liked to walk very fast and Sam liked to stroll.

While his life with us was not as long as we would have liked, we are incredibly grateful for the time we had with him.

I pray that a cure for cancer can be found for both our pets and human friends.

Sincerely,
